

PRODUCT SPECIFICATION REPORT

FORMULA 940™

Liquid Steam Cleaner and Heavy Duty Detergent

DESCRIPTION

A concentrated, heavy-duty, alkaline liquid cleaner and degreaser. A proven combination of detergents and emulsifiers, alkaline builders, water softeners, foam stabilizers, and phosphates.

FEATURES

- Heavy duty
- All surface cleaner
- Versatile
- Hard water tolerant
- Biodegradable

BENEFITS

- Rapidly cuts and removes grease, fat, dirt, blood, excrement and other difficult soils.
- May be used on aluminum and galvanized metal and painted surfaces. Follow label directions for proper usage.
- Use by hand, through steam cleaning and pressure washing equipment, or in soak vats. Clean floors, walls, processing and packaging equipment, utensils, and so forth.
- Performance and rinsability unaffected by water hardness.
- Contains only completely biodegradable detergents and emulsifiers.

APPLICATIONS

Use through steam cleaners, pressure washers or by hand to clean and degrease engines, transmissions, trailers, food processing equipment, concrete floors, walls and a variety of other surfaces.
